June Newsletter

Another month has gone by. It is hard to believe we are already in the month of June! It's summertime and we are seeing some sunshine. This means more outside time with the babies! Our classroom is full of crawling and walking babies! It's amazing how fast they have grown up!

Happy Birthday: Colin 6/2

As we are transitioning to a Pre-Toddler schedule here's a couple things to remember:

- ✓ Many of our babies are doing one nap a day and that is prepping them for their new classroom routine.
- ✓ We are working on using sippy cups for those that are ready. Please make sure you are working with your child, using a cup, at home. We offer cups at every meal/snack. In the older rooms sippy cups are encouraged.
- ✓ Most kids are now bringing in their own lunch. Please bring their lunch in a lunch box with an ice pack.
- ✓ We start doing whole milk when the children turn 1, unless otherwise requested.

Most of the kiddos that will be moving up in the fall are already on the pre-toddler schedule. They are all doing a great job. Part of the pre-toddler schedule is making sure they bring a healthy lunch every day. We ask that if they are already doing finger foods, that you provide them with food that they can feed themselves during our lunch time. When your child moves up, we encourage them to be able to feed themselves at lunch.

A couple reminders:

- Since we are going outside and it's getting warmer, make sure to dress your baby for the weather and with shoes that will stay on. That way they enjoy their time outside!
 - With the weather getting sunny, we will be asking that you provide some sunscreen for you to keep here in our class. Please do not forget to fill out and turn in the sunscreen form.
 - Please let us know if your child will be absent (coming in late or leaving early).
 - Last day of the school year is Wednesday, June 15th
 - First day of summer Thursday, June 16th
 - Father's Day Sunday, June 19th
 - Hot lunches are for sale at the front desk.
