

Dear Parents,

Welcome to Preschool! We are extremely excited for our new year. To help your child feel more comfortable in their new class, we suggest bringing in a current family photo. This helps them throughout the day when they are missing you. The first day of school is August 31st and we are going to have a blast this year. The themes for September are All About Me, Shapes, and Colors.

We know that there will be a lot of crying during this transition into the new school year. This is normal and will last the first few weeks of school. We do our best to update you on how your child is doing if they have had a rough drop off. During this time, we also know that accidents do happen. It's important to pack extra clothes in your child's backpack.

Teacher Times:

Lead Teacher – Mrs. Jessie 6:45 – 2:45

Teachers Assistant – Ms. Hailee 7:30 – 4

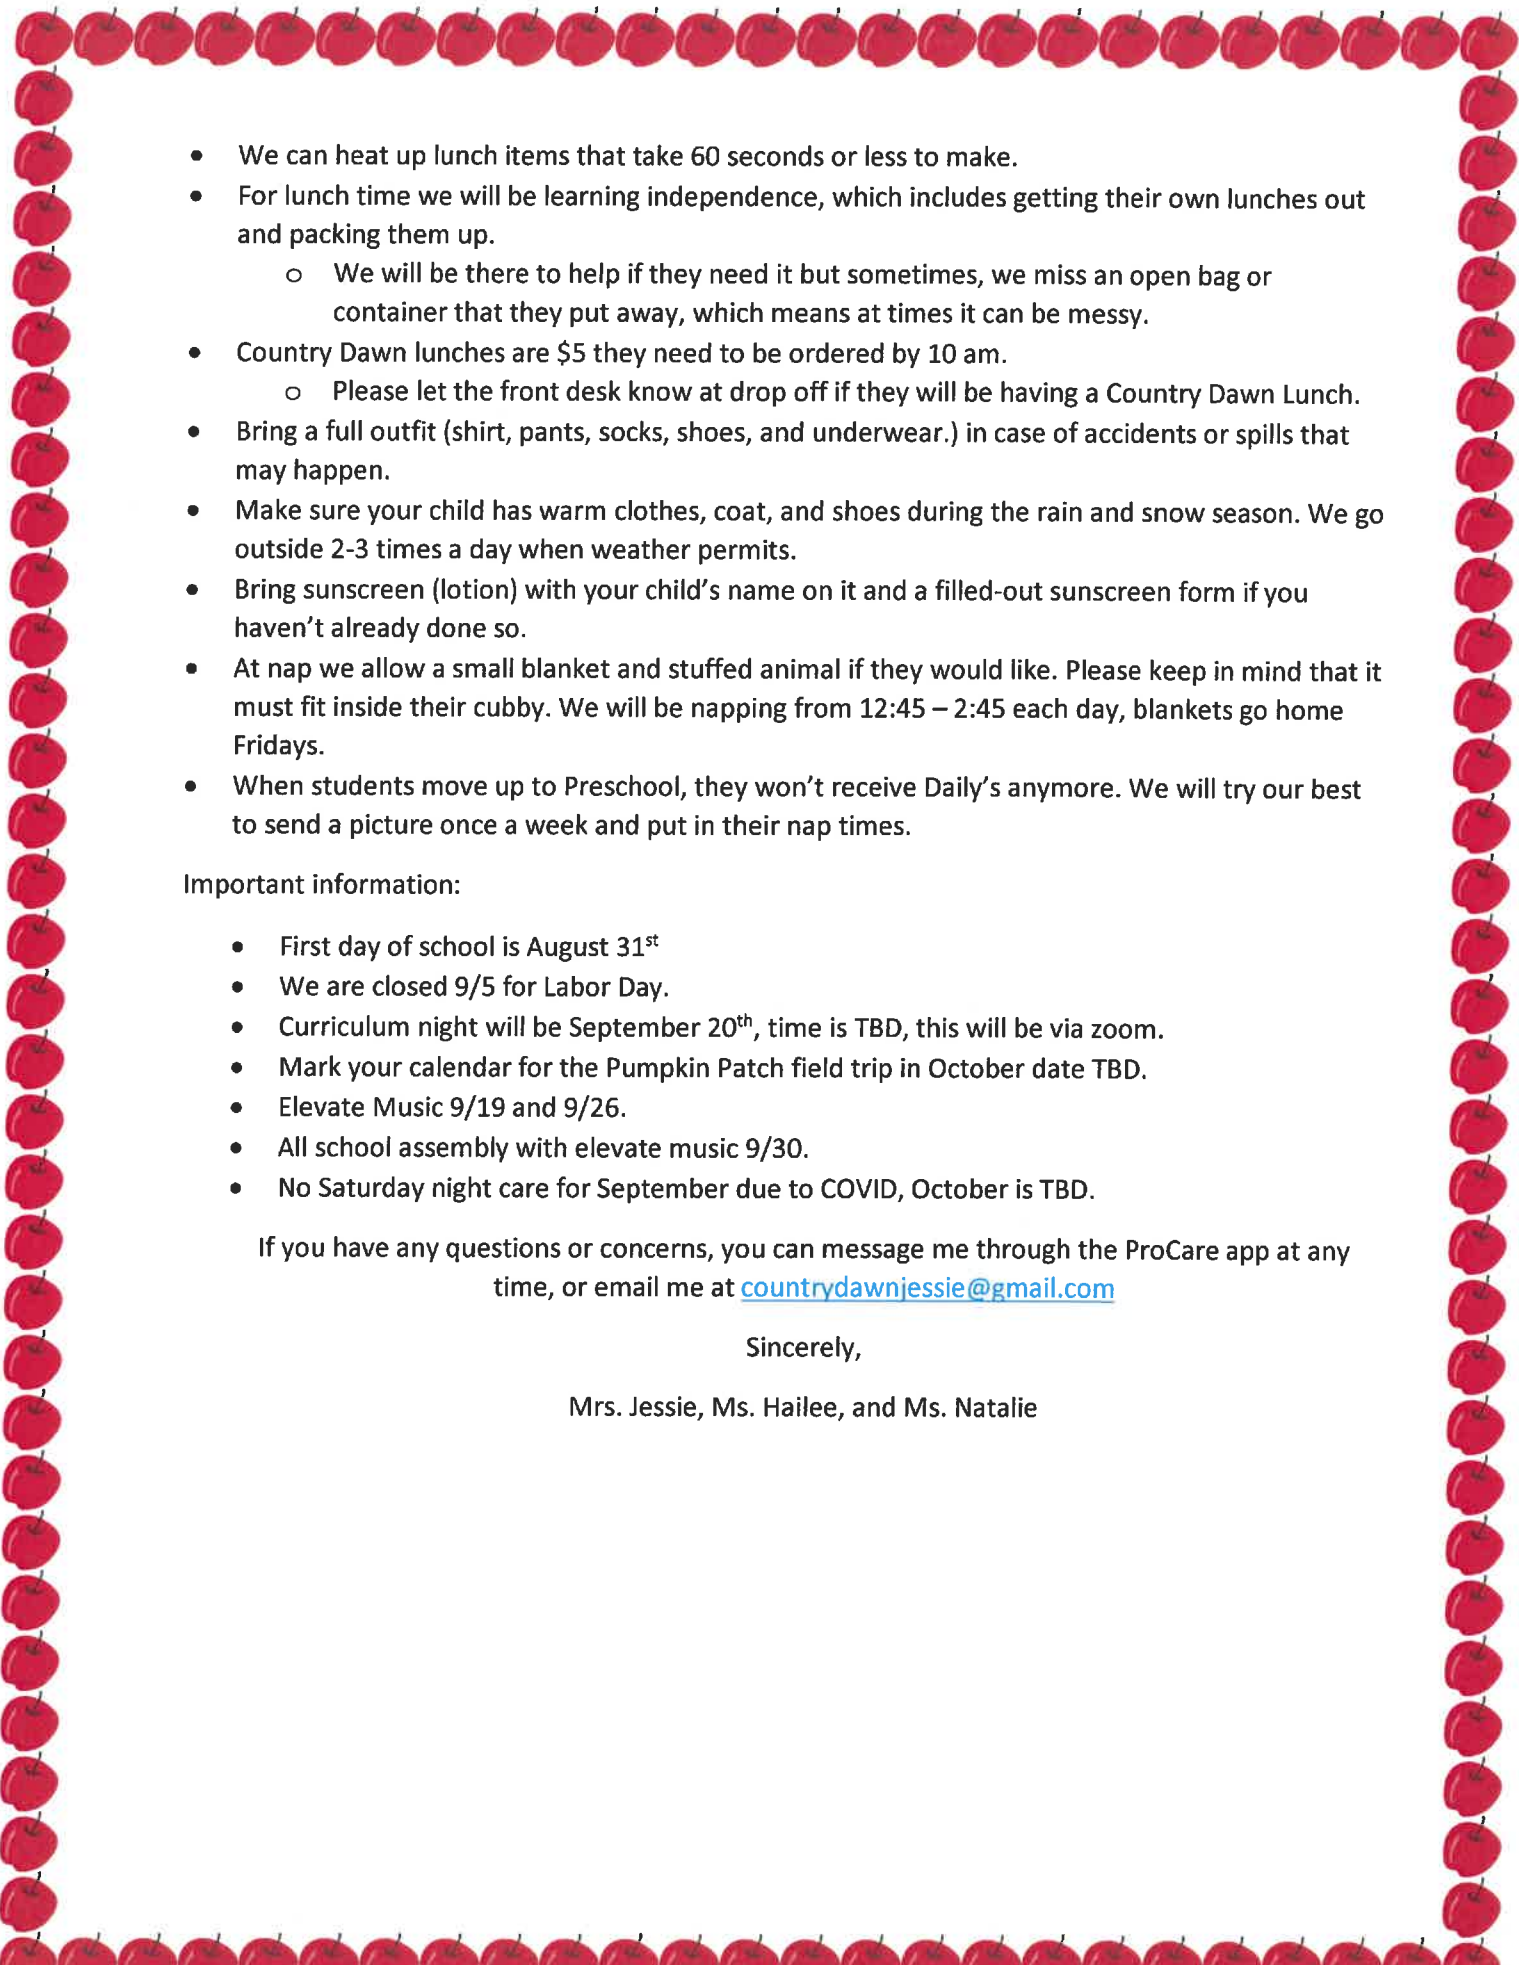

Afternoon Teacher – Ms. Natalie 2:45 – 6

COVID:

As we continue to navigate through this time, we just ask that you monitor your child's symptoms. If they are feeling ill, we encourage you to test them. We do have extra tests at the front desk, if needed. If your child tests positive, please call the front desk right away at 425-334-3885, or email them at countrydawnpreschool@gmail.com

Listed below are some helpful tips and reminders for a smooth transition when coming to school.

- Breakfast is served until 7:30 every day. Cheerios will be an option every day in case your child does not like our other options on the breakfast menu. If you do not make it to school by 7:30, please have your child eat breakfast before coming to school.
- We are a peanut free facility, watch your ingredients.
- Our cut off time for drop off is at 11. Our class time starts at 9:30, my hope is that your child is here before this so they can participate in our core academic time of the day.
- Please let us know if your child will be absent or on vacation.
- Make sure to write your child's name on everything they bring into the classroom or will be staying in their cubby.
- Parents will sign in and out every day at the front desk.
- Have an ice pack in their lunch, we will not be able to store their lunches in our small refrigerator.

- 
- We can heat up lunch items that take 60 seconds or less to make.
 - For lunch time we will be learning independence, which includes getting their own lunches out and packing them up.
 - We will be there to help if they need it but sometimes, we miss an open bag or container that they put away, which means at times it can be messy.
 - Country Dawn lunches are \$5 they need to be ordered by 10 am.
 - Please let the front desk know at drop off if they will be having a Country Dawn Lunch.
 - Bring a full outfit (shirt, pants, socks, shoes, and underwear.) in case of accidents or spills that may happen.
 - Make sure your child has warm clothes, coat, and shoes during the rain and snow season. We go outside 2-3 times a day when weather permits.
 - Bring sunscreen (lotion) with your child's name on it and a filled-out sunscreen form if you haven't already done so.
 - At nap we allow a small blanket and stuffed animal if they would like. Please keep in mind that it must fit inside their cubby. We will be napping from 12:45 – 2:45 each day, blankets go home Fridays.
 - When students move up to Preschool, they won't receive Daily's anymore. We will try our best to send a picture once a week and put in their nap times.

Important information:

- First day of school is August 31st
- We are closed 9/5 for Labor Day.
- Curriculum night will be September 20th, time is TBD, this will be via zoom.
- Mark your calendar for the Pumpkin Patch field trip in October date TBD.
- Elevate Music 9/19 and 9/26.
- All school assembly with elevate music 9/30.
- No Saturday night care for September due to COVID, October is TBD.

If you have any questions or concerns, you can message me through the ProCare app at any time, or email me at countrydawnjessie@gmail.com

Sincerely,

Mrs. Jessie, Ms. Hailee, and Ms. Natalie

HEALTH CARE POLICY

Children with any of the following symptoms should stay home or may be sent home.

1. Diarrhea - 3 or more watery stools in a 24-hour period.
2. Vomiting - vomiting 2 or more times within the past 24 hours.

Note: Children must be free of vomiting and diarrhea for a 24 hour period before returning to Country Dawn.

3. Rashes - any draining rash, or body rash that persists with no apparent cause, and especially if accompanied by fever or itching. **Note: Children with Thrush (Moniliasis) must be on antibiotics 24 hours before returning.**

4. Eye discharge - thick mucus or pus draining from the eye, or "pink eye". In addition **Children with "Pink Eye" must be on antibiotics at least 24 hours before returning for care & be goop free.**

5. Appearance & Behavior - unusually tired, pale, lack of appetite, these symptoms provide sufficient reasons for keeping a child from attending child care .

6. Sore throat - especially if it is accompanied by fever and / or swelling of glands in the neck. In addition **Children with Strep Throat must be on antibiotics 24 hours before returning for care.**

7. Lice & Scabies - (insect infestations) children who have lice must not return to child care until they are free of lice and nits (eggs). Children with scabies, caused by a burrowing itch mite, can be admitted for child care after treatment.

8. Fever - if the child's temperature is 101° Fahrenheit or higher.

Note: Children must be fever free for a 24 hour period without the use of fever reducing medication before returning to Country Dawn.

9. Nose discharge - Children with chronic colored heavy discharge from nose should be evaluated by their health care provider.

10. Chronic cough - severe chronic cough should be evaluated by the child's health care provider.

11. Apparent respiratory problems - when a child experiences any unexplained difficulty in breathing they should be seen immediately by a health care provider.

Children with the following symptoms may attend child care provided they DO NOT exhibit any of the symptoms listed in items one through eleven above and are able to participate in normal activities of their group or class.

1. Ear infections - children with ear infections who are receiving medical treatment and follow up, and DO NOT have any of the above symptoms; do not need to be excluded from childcare.

2. Mild cold symptoms - children with occasional clear discharge from the nose, and occasional cough do not need to be excluded from childcare.

3. Minor rashes with known causes - such as minor diaper rashes, heat rashes, or minor rashes due to allergic reactions which are not dangerous or contagious, and of no apparent discomfort to the child, do not need to exclude a child from child care.

- If children are too sick to attend public school they are also too sick to be at Country Dawn.
- If your child should get sick while at Country Dawn he or she will be removed from their group and made as comfortable as possible, and you will be contacted to pick up your child. If we cannot reach you we will contact whom ever you listed on the Health / Emergency Data Card as authorized to pick up your child. Make sure the people you authorize to pick up your child are available when you are not. If we feel the illness is serious we will seek emergency help immediately.

If your child has Covid symptoms (fever, chills, cough, loss of sense of taste and/or smell, shortness of breath, fatigue, headache, muscle or body aches, sore throat, congestion or runny nose, nausea or vomiting and/or diarrhea) and/or if they have had a known exposure, please test your child. If they test positive please let us know and they will need to quarantine (please see attached Covid information). If they are negative they may attend.

What to do if a Person is Symptomatic

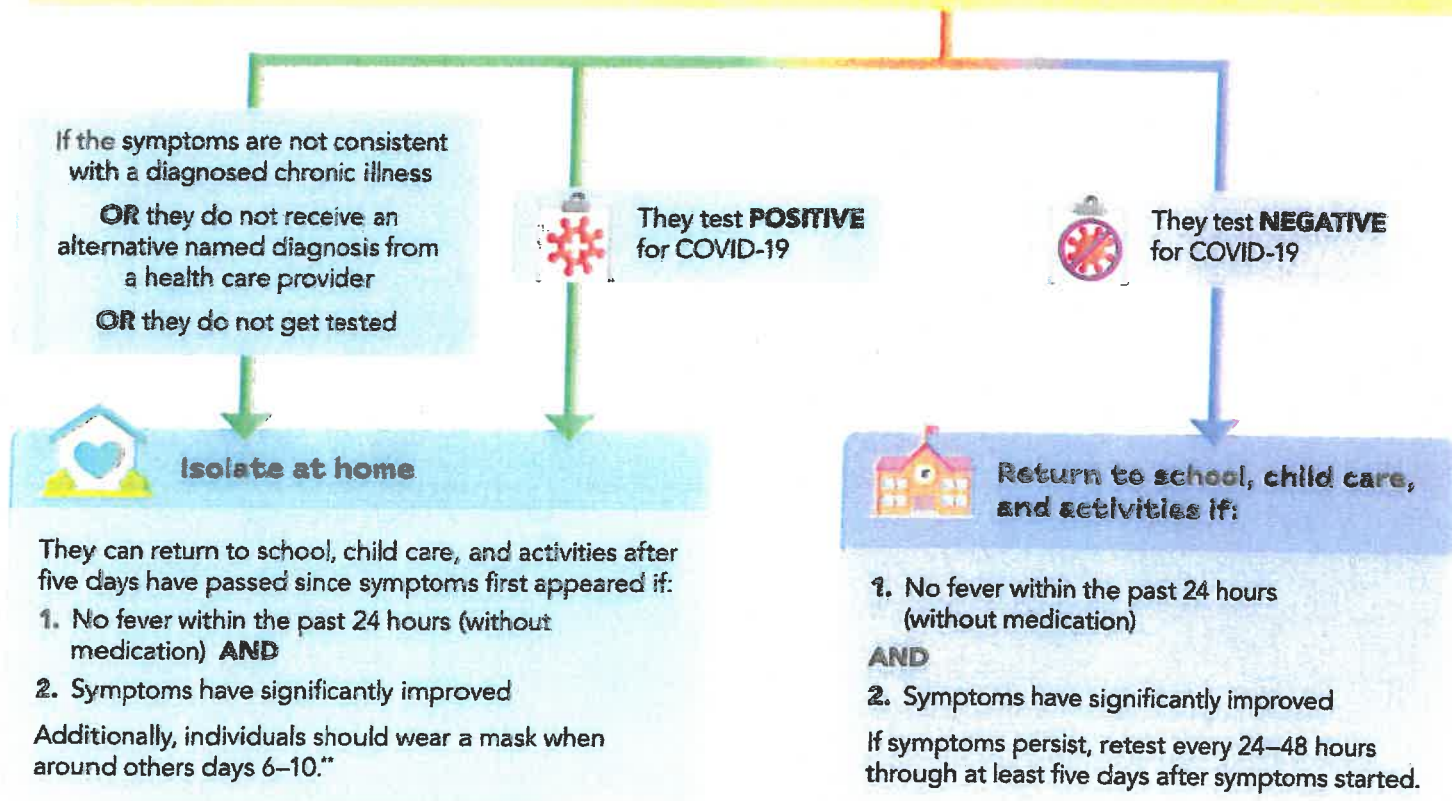

This flowchart is for K-12 schools, child care, and connected extracurricular activities.

If a person has one or more of these symptoms:

- Fever ($\geq 100.4^{\circ}\text{F}$) or chills
- Shortness of breath or difficulty breathing
- Muscle or body aches
- New loss of taste or smell
- Cough (new, changed, or worsening)
- Nausea, vomiting, or diarrhea
- Fatigue
- Sore throat
- Congestion or runny nose*

Isolate at home and test for Covid-19

Child care providers should review their WAC and licensing requirements and follow any additional measures that are required.

DOH 820-229 August 16, 2022 To request this document in another format, call 1-800-525-0127. Deaf or hard of hearing customers, please call 711 (Washington Relay) or email civil.rights@doh.wa.gov.

* If the child is under the age of two and ONLY has congestion/runny nose with no other symptoms, testing and isolation is not required. If the child's symptoms worsen or persist longer than five days, follow the flowchart for children over two and it is highly recommended to contact a healthcare provider.

** If you cannot wear a well-fitting mask: You should complete a full 10-day isolation at home. See the [K-12/child care guidance](#) for additional information.

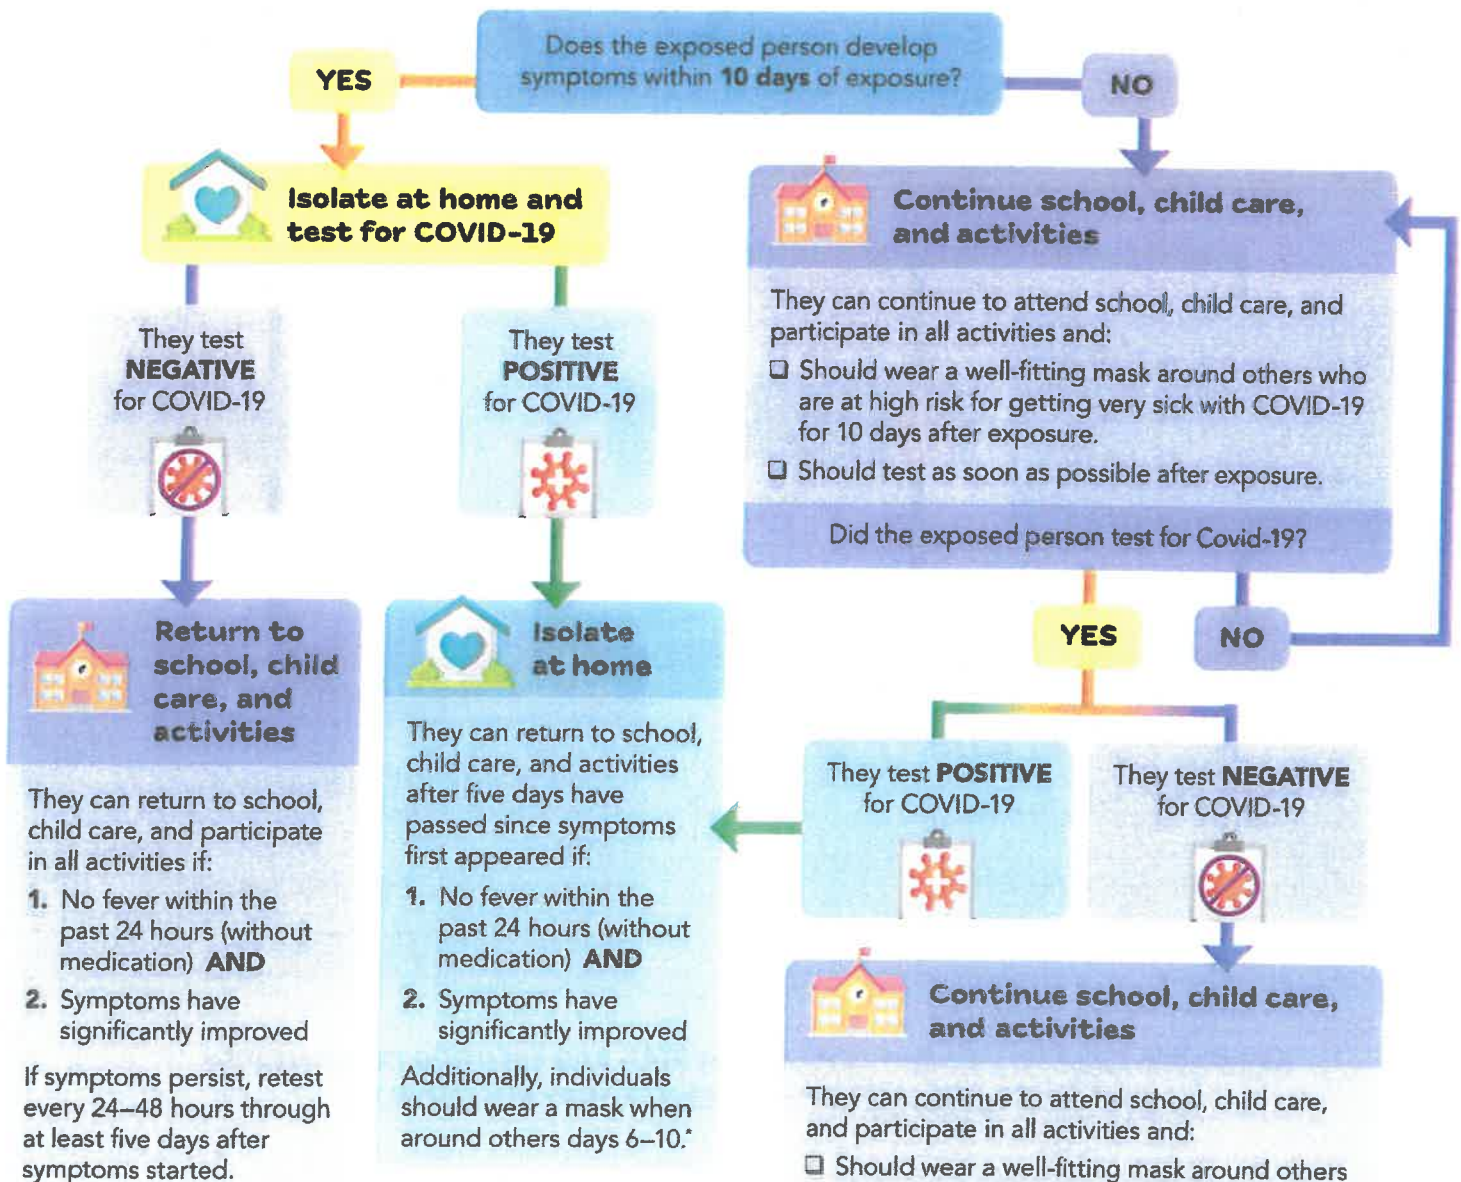

What to do if you receive an exposure notification or think you have been exposed to COVID-19

This flowchart is for K-12 schools, child care, and connected extracurricular activities.

Regardless of vaccination status, use the following guidelines:

- Continue to attend school, child care, and activities.
- Monitor for symptoms for 10 days after exposure.
- Should test as soon as possible after exposure.
- Should wear a well-fitting mask for 10 days after exposure.

* If you cannot wear a well-fitting mask: You should complete a full 10-day isolation at home. See the [K-12/child care guidance](#) for additional information.
