

Pre-K September Newsletter

Welcome to the school only Pre-K program. My name is Ms. Jenna and my assistant is Ms. Ace. We are excited to be your child's teachers this school year.

The first day of class will be Wednesday, August 31st.

- **Class times Monday-Friday 9:30am-1:00pm**
- **Doors will open at 9:25am and 12:55pm**

The first few weeks of school might be challenging for some children but trust me they will overcome their fears and will enjoy learning and making new friends!

Theme: All about me and my family

Reminders:

8/31: First day of school!

9/5: Closed for Labor Day.

9/22: Curriculum Night Via Zoom (time tbd).

Please let us know if your child will be absent. You can email or call our number 425-334-5412 and the main office number is 425-334-3885.

Lunch:

- Bring a lunch or you can purchase a lunch. Lunches cost \$5.00.
- No lunch heat ups that take longer than 60 seconds.
- We are a peanut free facility.

Things to bring

- Sunscreen.
- Backpack with a change of clothes.
- A few family photos.

Thank you

Ms. Jenna

HEALTH CARE POLICY

Children with any of the following symptoms should stay home or may be sent home.

1. Diarrhea - 3 or more watery stools in a 24-hour period.
2. Vomiting - vomiting 2 or more times within the past 24 hours.

Note: Children must be free of vomiting and diarrhea for a 24 hour period before returning to Country Dawn.

3. Rashes - any draining rash, or body rash that persists with no apparent cause, and especially if accompanied by fever or itching. **Note: Children with Thrush (Moniliasis) must be on antibiotics 24 hours before returning.**

4. Eye discharge - thick mucus or pus draining from the eye, or "pink eye". In addition Children with "Pink Eye" must be on antibiotics at least 24 hours before returning for care & be poop free.

5. Appearance & Behavior - unusually tired, pale, lack of appetite, these symptoms provide sufficient reasons for keeping a child from attending child care .

6. Sore throat - especially if it is accompanied by fever and / or swelling of glands in the neck. In addition Children with Strep Throat must be on antibiotics 24 hours before returning for care.

7. Lice & Scabies - (insect infestations) children who have lice must not return to child care until they are free of lice and nits (eggs). Children with scabies, caused by a burrowing itch mite, can be admitted for child care after treatment.

8. Fever - if the child's temperature is 101° Fahrenheit or higher.

Note: Children must be fever free for a 24 hour period without the use of fever reducing medication before returning to Country Dawn.

9. Nose discharge - Children with chronic colored heavy discharge from nose should be evaluated by their health care provider.

10. Chronic cough - severe chronic cough should be evaluated by the child's health care provider.

11. Apparent respiratory problems - when a child experiences any unexplained difficulty in breathing they should be seen immediately by a health care provider.

Children with the following symptoms may attend child care provided they DO NOT exhibit any of the symptoms listed in items one through eleven above and are able to participate in normal activities of their group or class.

1. Ear infections - children with ear infections who are receiving medical treatment and follow up, and DO NOT have any of the above symptoms; do not need to be excluded from childcare.

2. Mild cold symptoms - children with occasional clear discharge from the nose, and occasional cough do not need to be excluded from childcare.

3. Minor rashes with known causes - such as minor diaper rashes, heat rashes, or minor rashes due to allergic reactions which are not dangerous or contagious, and of no apparent discomfort to the child, do not need to exclude a child from child care.

- If children are too sick to attend public school they are also too sick to be at Country Dawn.
- If your child should get sick while at Country Dawn he or she will be removed from their group and made as comfortable as possible, and you will be contacted to pick up your child. If we cannot reach you we will contact whom ever you listed on the Health / Emergency Data Card as authorized to pick up your child. Make sure the people you authorize to pick up your child are available when you are not. If we feel the illness is serious we will seek emergency help immediately.

If your child has Covid symptoms (fever, chills, cough, loss of sense of taste and/or smell, shortness of breath, fatigue, headache, muscle or body aches, sore throat, congestion or runny nose, nausea or vomiting and/or diarrhea) and/or if they have had a known exposure, please test your child. If they test positive please let us know and they will need to quarantine (please see attached Covid information). If they are negative they may attend.

What to do if a Person is Symptomatic

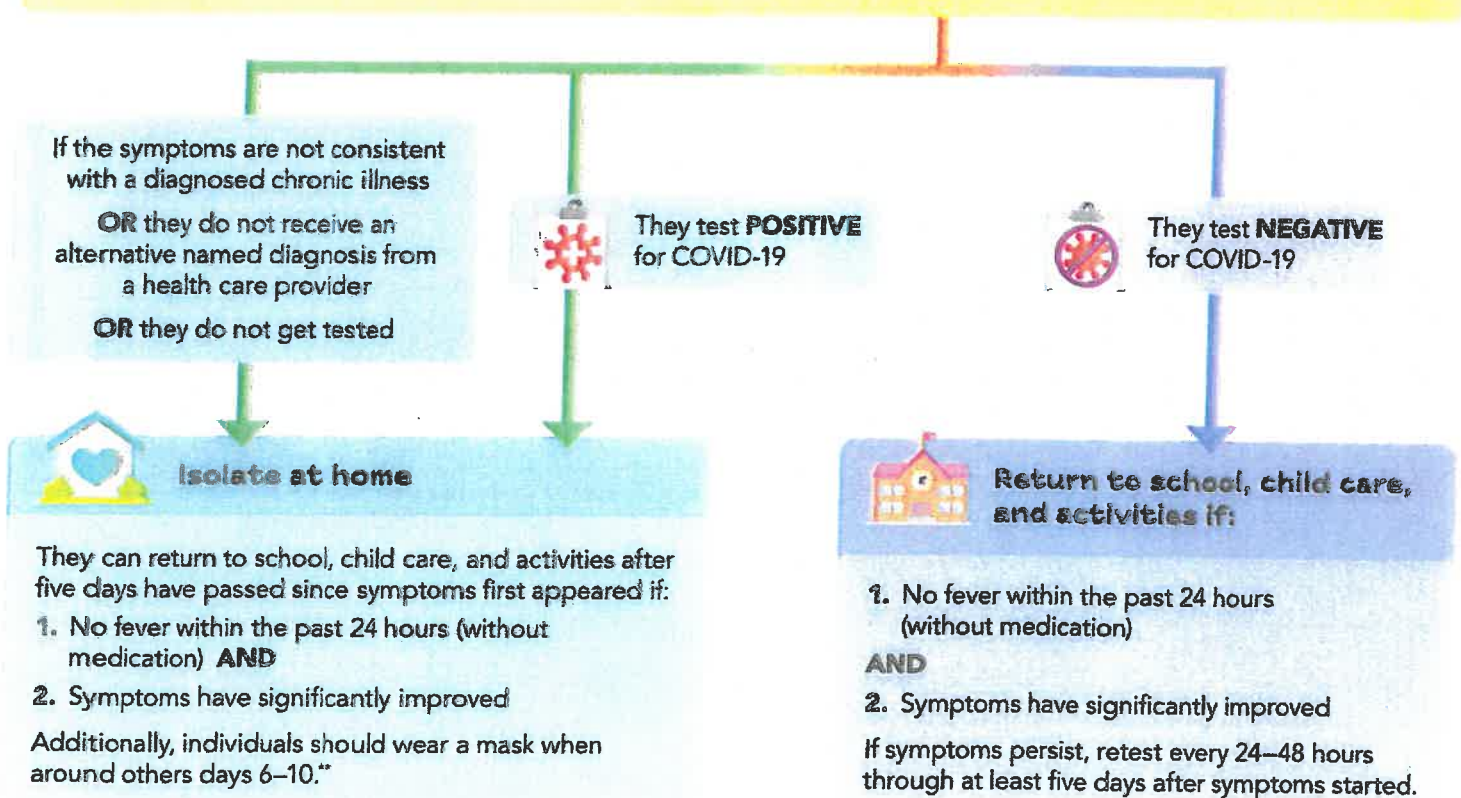

This flowchart is for K-12 schools, child care, and connected extracurricular activities.

If a person has one or more of these symptoms:

- Fever ($\geq 100.4^{\circ}\text{F}$) or chills
- Shortness of breath or difficulty breathing
- Muscle or body aches
- New loss of taste or smell
- Cough (new, changed, or worsening)
- Nausea, vomiting, or diarrhea
- Fatigue
- Sore throat
- Congestion or runny nose*

Isolate at home and test for Covid-19

Child care providers should review their WAC and licensing requirements and follow any additional measures that are required.

DOH 820-229 August 16, 2022 To request this document in another format, call 1-800-525-0127. Deaf or hard of hearing customers, please call 711 (Washington Relay) or email civil.rights@doh.wa.gov.

* If the child is under the age of two and ONLY has congestion/runny nose with no other symptoms, testing and isolation is not required. If the child's symptoms worsen or persist longer than five days, follow the flowchart for children over two and it is highly recommended to contact a healthcare provider.
** If you cannot wear a well-fitting mask: You should complete a full 10-day isolation at home. See the [K-12/child care guidance](#) for additional information.

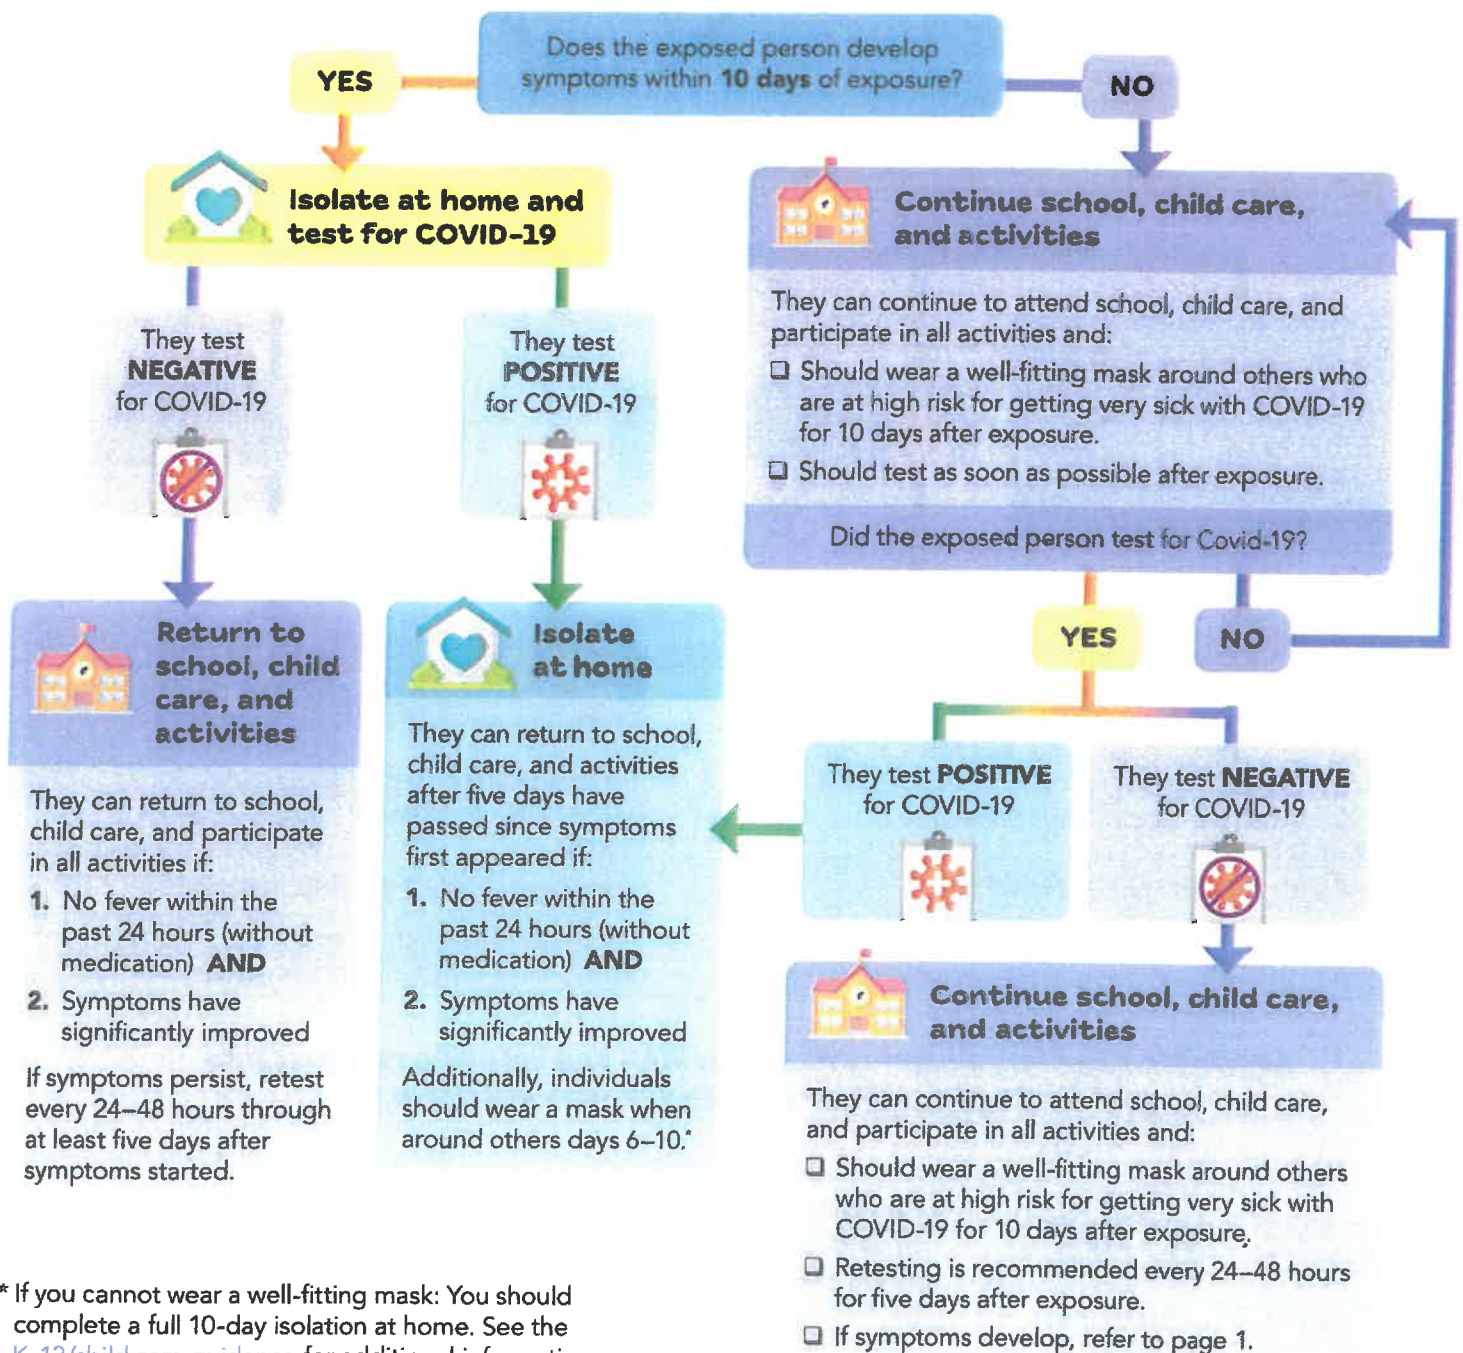

What to do if you receive an exposure notification or think you have been exposed to COVID-19

This flowchart is for K-12 schools, child care, and connected extracurricular activities.

Regardless of vaccination status, use the following guidelines:

- Continue to attend school, child care, and activities.
- Monitor for symptoms for 10 days after exposure.
- Should test as soon as possible after exposure.
- Should wear a well-fitting mask for 10 days after exposure.

* If you cannot wear a well-fitting mask: You should complete a full 10-day isolation at home. See the [K-12/child care guidance](#) for additional information.
