

We had such a fun month of December. The kids had fun doing Christmas projects and seeing Santa Claus. We hope you all enjoyed time with your family and had fun in the snow. Brrr it was cold! January will be fun and the kids will be learning lots of new things. Please make sure your children have warm coats, hats and gloves everyday. It will probably be another cold month and we try to get the kids out at least once a day. In December we had the kids exclusively feeding themselves with utensils and this month we will begin giving them water with no lids. Please practice these at home. It's amazing what they can do this far into the school year compared to the beginning! We are really enjoying watching your children learn and grow.
