## **Potty Training**

Potty Training is going well. We take the kids every two hours and we give them lots of praise and of course stickers. Please encourage your child to try a home too! All the children will need to be fully potty trained by the end of Summer to move on to preschool.

**Please bring only pull-ups with the velcro sides (not the tear sides) as this makes the process easier for the children as they are learning to potty train.**
