PRE-PRESCHOOL PROGRAM

Teacher: Nicole

Class Information

Dear Pre-Preschool families,

My name is Nicole, I am the teacher in the Pre-Preschool room. I started at Country Dawn in 2023 and have been working with children for the last seven years. Having completed my Bachelor's with a Major in Education and currently working on my Masters, I'm excited to continue learning as well! I completed my 30 hours of Washington STARS training, hold certifications in blood borne pathogens, first aid, CPR, and a food handlers permit.

Helping children grow and learn has brought many great memories and I am excited to get to know you and your child. Early development both mentally and emotionally are both so fun to teach and I can't wait to see what we learn together this year.

Please feel free to message me through ProCare or email me at countrydawnnicole@gmail.com with any questions or concerns that may arise.

Respectfully,
Nicole

Cognitive

- Listen to and follow one simple oral instruction
- Able to match simple familiar shapes
- Can put together simple three or four piece puzzle
- Recognizes body parts, (eyes, ears, nose, teeth, arms, legs, feet)
- Uses three to four word sentences
- Repeats parts of songs, rhymes, and finger plays
- Knows names of animals
- Participate with care giver to dress and undress themself

Country Dawn provides a hands-on curriculum that includes small group time, circle time, outside play, free choice play, theme-based arts and crafts activities. Basic academic skills: recognizing shapes, colors, letters, and numbers are incorporated throughout the day. Language and Social/Emotional development are practiced all day; expanding the children's vocabulary, their ability to communicate, play with peers, and follow the teacher's instruction. Country Dawn's curriculum follows the Early Learning Guidelines set by Washington State Department of Early Learning. (www.del.wa.gov)

Country Dawn partners with The Sno-Isle Library and receives books for our classroom monthly. Once a week our Older Toddler class has a Spanish lesson, where they are introduced to basic Spanish words and phrases; greetings, numbers, colors, and theme-based words. Country Dawn offers HappyFeet (www.seattlehappyfeet.com), a weekly extra-curricular soccer fitness program to our Older Toddler class. HappyFeet is a professionally developed child fitness soccer program based on 25 years of youth coaching experience. Country Dawn offers Elevate Music Together, which is an internationally recognized early childhood program providing music and movement for children. CDC Assessments are provided to families each fall and spring. Teacher Parent Conferences start in the Preschool classrooms however, a conference is provided to any of our families when requested. Country Dawn also participates in Early Achievers, which is Washington's Quality Rating and Improvement System.

**PARENTAL ALERT
SEVERE OR LIFE THREATENING FOOD ALLERGY**

Dear Parents:

I am writing to inform you that several children who are currently enrolled at Country Dawn have a life-threatening allergy to peanuts. If these children are exposed to peanuts in any form (even trace amounts), the child may experience a type of shock called anaphylaxis. Anaphylaxis is a reaction that affects the entire body and can result in the child not being able to breathe and cardiac arrest. The reaction is so severe that once symptoms are recognized medication must be given immediately to prevent death, and emergency medical personnel (911) must be called for immediate help.

Strict avoidance is the only way to prevent this type of severe reaction. The safest environment is one where there are no peanuts or foods containing any peanut products or traces of peanuts in the classroom or any area where the child may be. To achieve this safe environment we will need everyone's help. A huge risk is posed by other children who may unwittingly bring foods to school that contain peanuts, or peanut products. Even vapors from the food containing peanuts or peanut products can cause a sensitive child to have a severe reaction. Please check the labels on foods, and do not send any foods containing peanuts or peanut products of any kind to school. If you bring in foods for a special event or class party, bring only commercially prepared food in the original packaging (no home-prepared food, please!). All foods must be monitored closely, all labels must be checked for indications of peanuts or peanut products, and should there be any question as to the safety of the ingredients the food may not be served, or even opened.

I realize this will be an inconvenience, and we appreciate your help and understanding as we attempt to create the safest possible environment for all our children.

If you have any questions please do not hesitate to talk with your child's teacher, supervisory staff at the front desk, or myself. I would like to thank you for your help and understanding in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Julie Bliven".
