

# OCTOBER NEWSLETTER

**Wow September flew by! It is nice to see all the babies adjusting and doing well. Our first month together is time to get to know one another! 😊**

On Thursday, October 31<sup>st</sup> feel free to bring a costume for your baby to wear. We love seeing all the different outfits!

Happy Birthday

**No Birthdays**

## **A couple reminders:**

- Please remember to have extra clothes for your babies.
- We do provide breakfast until 7:30 and snacks, all you need to provide is a lunch for the children eating solids.
- It is important to label all bottles and lids with their first and last name.
- Please make sure that enough bottles are brought in each day, for sanitary purposes.
- Please bring in a (4x6) family picture. It will be displayed so that way your babies can see you throughout the day 😊
- If you are providing any kind of medication for "teething" or anything else, we can only hold it for 2 weeks. We will send it home after that time. If the medication is needed again, we will need a new consent form.
- Any medication brought in for your child must be age appropriate or a doctor's note will be required before we can administer the medication.
- Check out our website, you can find information about all of our programs and teachers there as well. You are also able to download medication consent forms and ointment forms from home for your convenience.
