

# November

Another month has flown by! Everyone is settled in and doing so well. Thank you for your patience with biting and know that we continue to work on it daily. Outside time is one of the kids favorite activities so please remember warm coats and boots. Mittens would be great too, their little hands get cold so quick! During the wet season it would be helpful if you could also send your child with a couple outfits daily for changes when they get wet on the playground. We have a new friend joining our class on the 10th, welcome Lincoln we're excited to have you!
